[My Applications](#)

Bourke has a population of just under 2000 people which comprises 38 per cent Aboriginal and Torres Strait Islander population, substantially higher than the state average of 2.9 per cent making Bourke a unique and rewarding place to work.

The Bourke Multipurpose Service (MPS) has 35 beds, 15 of which are residential aged care. The facility has 24-hour emergency care, acute and sub-acute/non-acute services including rehabilitation and palliative care, ante-natal and post-natal services, elective surgical services, ambulatory care, renal, outpatient and visiting specialist services and a range of primary and community health services including child and family health and mental health, drug and alcohol services.

The Assistant in Nursing is an integral part of the multidisciplinary healthcare team, working under the direction and supervision of the Registered Nurse and Enrolled Nurse to support and provide quality care for patients/ clients.

What we can offer you

- Country living with a meaningful career path
- Paid leave entitlements
- Monthly ADOs for full time staff
- Generous salary packaging options and other fringe benefits
- Flexible work practices (as appropriate to the position and negotiated with your manager)
- Corporate wellbeing programs, including the [Fitness Passport](#)
- Opportunities for learning and development, including in-house training with [My Health Learning](#) and the NSW Health RTO
- Professional growth and accelerated career progression

Where you'll be working

Bourke Multi Purpose Service, a part of the Western NSW Local Health District. For more information on living and working in our beautiful region, visit our website [Western NSW Health Careers](#).
