## Job Description

We are now taking applications for a skilled and ticketed forklift operator to join our client at their busy cotton gin in North Bourke for the cotton harvest.

As a forklift operator, you will be responsible for transporting stock and loading and unloading trucks. Working across multiple teams, the role requires the smooth and safe operation of forklifts and following strict operational procedures to uphold a safety-conscious environment. Committed to efficient work practices and working as a team, you may also be required to perform a range of other labouring and maintenance duties. This will include produce handling and packing, so you'll need to be willing to jump of the forklift and get your hands dirty!

You will be required to work for approximately 60 hours a week for an estimated 3-month duration. This will also be night shift work as well which will be paying \$31.41 an hour.

## Skills & Experience

The ideal candidate must have demonstrated experience in efficient forklift operations and hold current Australian tickets and qualifications. Proactive and a keen team player, you will be flexible, reliable and come to work with a 'can do' attitude.

To be considered for the role, it's important you can address the following criteria:

- Current Australian forklift licence
- Proven experience in safe and efficient operations of a forklift
- Ideally experience working in a produce handling environment
- Flexible with your tasks and willing to work early morning shifts
- Good level of English
